

SCR Business Process: 6b – Child under 16, viewing their own Summary Care Record

Purpose: The child under 16 wishes to view their Summary Care Record. The Health Care Professional will assist the minor in viewing the Summary Care Record where requested and are happy that no parental assistance is required.

Child under 16

Child under 16 requests to view their Summary Care Record

Health Care Professional

Question

Is the minor Gillick competent?

No

Discuss the options with minor in language best understood by the child and understand if a parent should be present

Yes

Question

Is it in the child's best interest?

Yes

Action

Show the content to the minor and if required discuss the content

End

No

The clinician will consider the child's view and their best interests. They will also consider other information sources available to them. They may also discuss the options further with the parent. Once they have made a decision, they will record the decision on their practice system.
